A Call to Reconnect and Contribute to Your Alma Mater

*The Future Begins Here!*

Feb 19, 2025

**Dear Esteemed Kallamino Alumni,**

We hope this message finds you well. As we reflect on the legacy of Kallamino Special High School, it is evident that our alumni have played its own role in shaping its success. However, despite past efforts, the connection between the school and its alumni has not always been as strong or impactful as it could be.

Since the establishment of the Kallamino Alumni Association (KAA), various initiatives have been undertaken to support the school. However, these efforts have often lacked structure, consistency, and long-term sustainability. In addition, while many alumni have individually contributed to the school's growth, better coordination is needed to maximize your collective impact.

During the **27th Anniversary Celebration of Kallamino Special High School (December 6–8, 2024)**, a **Temporary Committee** was formed to revitalize KAA, recognizing that its activities had become largely inactive nowadays. The committee is working to reestablish the association's functionality by convening a **general assembly** that will facilitate a leadership transition. This transition will enable new leaders to re-set a clear vision, strengthen the alumni engagement, and enhance the association's contribution to the school and society at large.

The school firmly believes that a strong and active alumni association is vital to its continued success. While the Temporary Committee works toward its objectives, we also encourage alumni to contribute individually or collaboratively in ways that support the school.
